Dear Mr. Guy,

Governor Barbour has received your letter, brochure and DVD of February 9, 2007, regarding your practice of rebuilding homes, after Hurricane Katrina, with a special dry stack form of concrete blocks. The Governor, currently in meetings with members of the Mississippi Legislature, has asked me to thank you and respond on his behalf.

I have forwarded your letter and attached information to Mr. Tommy Walman, the Governor's Policy Advisor on Housing, for his information and review.

Thank you again for sharing your building methods with this office.

Sincerely,

A handwritten signature in black ink, appearing to read "Charles Pittman".
